Gender equality in access to education is a fundamental human right and a key factor in achieving social and economic development. This report examines the current state of gender equality in college admission rates, with a focus on ensuring equal opportunities for both girls and boys. The study investigates admission trends, challenges, and potential solutions to bridge the gender gap in higher education.

Access to higher education is a critical factor in individual and societal development. It is essential to promote gender equality in college admissions to foster a more equitable and inclusive society. This report explores the admission rates of girls and boys, aiming to identify disparities and suggest ways to improve gender balance in colleges. However, despite their strong academic performance, girls continue to face challenges in gaining admission to colleges at a rate equal to or greater than boys. Socioeconomic factors, such as family income and geographical location, play a significant role in college admission disparities.

Promoting Gender Equality in College Cultural and Sports Activities

This report examines the initiatives and efforts undertaken by our college to promote gender equality among students in sports and cultural activities. Gender equality is a fundamental principle in promoting a fair and inclusive educational environment. Our college has demonstrated a commitment to fostering an environment where all students have equal opportunities to participate and excel in sports and cultural activities.

Gender equality is not just an ethical imperative but also a legal requirement in many countries. It is essential for educational institutions to ensure that all students, regardless of their gender, have equal access to opportunities in sports and cultural activities.

The Women Development Cell (WDC) is a vital part of our educational institution dedicated to promoting gender equality and empowering female students.

The Women Development (WD) is a vital part of our educational institution dedicated to promoting gender equality and empowering female students.

Over the past year, WD has actively engaged in various activities aimed at fostering an inclusive and supportive environment for women on campus. This report highlights the key activities and the impact they have had on female student development. Gender equality is a fundamental principle of our institution, and the Women Development plays a central role in ensuring that this principle is upheld. The WD is committed to promoting gender equality, creating awareness about women's issues, and fostering an environment where female students can thrive.

WD organized a series of workshops and awareness programs addressing various aspects of gender equality and women's rights. These programs covered topics such as gender-based violence, women's health, financial literacy, and career development. The goal was to equip female students with knowledge and skills to navigate their academic and personal lives successfully.

WD introduced a mentorship program where female students could connect with experienced faculty and staff members for guidance and support. Additionally, counseling services were provided to address mental health and well-being concerns, ensuring that female students had access to the emotional support they needed. Recognizing the importance of skill development, WD organized workshops on leadership, communication, and technology. These workshops aimed to boost the confidence and competence of female students, making them more competitive in the job market. WD organized events and campaigns to celebrate the achievements of female students and alumni. These activities highlighted success stories and served as inspiration for other students.

The Women Development has made significant progress in promoting gender equality and empowering female students within our institution. Through a variety of activities and initiatives, the WD has positively impacted the lives of female students, fostering an inclusive and supportive educational environment.

As we move forward, the Women Development remains committed to its mission and will continue to adapt and expand its efforts to meet the evolving needs of our female students. This report signifies the dedication and progress made by the Women Development, ensuring that our institution remains a beacon of gender equality and female empowerment.

It promotes equal participation of both male and female students in sports activities. This includes providing equal access to facilities, coaching, and resources. The college encourages the formation of mixed-gender teams in sports and ultimate Frisbee to break

traditional gender barriers.

The college actively encourages female students to take up leadership roles in sports, including coaching and managing teams, to inspire future generations. We promote gender-neutral casting in cultural activities like theater and music performances. Students are encouraged to audition for roles based on their abilities, not gender. The college aims to showcase diversity in its cultural events, with an emphasis on showcasing works that reflect the experiences of people of all genders. Our college also conducts workshops to raise awareness of gender-related issues among participants and organizers of cultural events. The college organizes an annual symposium that focuses on the achievements and challenges faced by women in sports. This event invites guest speakers and athletes to inspire and educate students. A yearly series of events that promote gender equality through cultural activities, including workshops, discussions, and performances. Faculty, staff, and students involved in organizing sports and cultural events undergo gender sensitivity training to create a more inclusive and welcoming environment.

Our College is committed to fostering an inclusive environment that promotes gender equality in sports and cultural activities. The college's initiatives and programs are designed to provide equal opportunities for all students, regardless of their gender, and to encourage the development of leadership roles for women in these fields. By consistently promoting gender equality, college ensures that its students are prepared to face a more equitable world beyond their educational journey.

This report demonstrates that college is making meaningful strides in promoting gender equality within its sports and cultural activities and underscores its dedication to creating an environment where all students can thrive.

Gender equality in college admission rates is crucial for fostering a fair and just society. This report underscores the existing gender disparities in college admissions and provides recommendations to address these inequalities. By taking collective action, governments, educational institutions, and communities can work together to ensure that both girls and boys have equal opportunities to access higher education.

Name of the event: 9th International Day of Yoga.

Department: Cultural.

Date: 21st June, 2023.

Time: 8.30 AM to 10.30 AM.

Yoga is a gift given to Indian Culture by our ancient tradition. Normally, everyone thought about yoga as activity to be done after 40 years of age, when many health issues trigger into life. Obviously, Yoga helps in curing such diseases but in fact we can stay healthy physically and mentally if we start practicing yoga from the early age of life.

Yoga is not about the religion; it is a way of living that aims towards a healthy mind in a healthy body. Man is a physical, mental and spiritual being; yoga helps to promote a balanced development of all the three.

Yogic exercises recharge the body with cosmic energy and facilitate:

- Attainment of perfect equilibrium and harmony
- Promotes self- healing.
- Removes negative blocks from the mind and toxins from the body
- Enhances personal power
- Increases self-awareness
- Helps in attention, focus and concentration, especially important for children
- Reduces stress and tension in the physical body by activating the parasympathetic nervous system

To imbibe and inculcate the importance of yoga into the minds of people, Indian Prime Minister Narendra Modi has taken initiative and made efforts to give it an international recognition. As a result of his efforts, importance of yoga has been accepted globally and it was decided to celebrate 21st June as the “International Day of Yoga” (IDY) from the year 2015.

● Women development cell (WDC)

The Women Development Cell (WDC) aims to promote awareness of gender equality and gender sensitization in society and among students in particular. Towards this end, the students are encouraged to undertake various seminars and spread awareness among female students. Considering the goal of women empowerment, the cell conducted self-defence programs for girl students and also operates a Grievance Cell for urgent and effective handling of any gender-related issues

The WDC seeks to encourage girl students to work towards their personal and social development. The Cell aims in particular, at sensitising the student community to issues relating to the females. The role of the Cell is to spread awareness and self-confidence, which in turn would allow them to take their rightful place in society.

Notice

Dear Students,

We welcome you for the upcoming academic year at BUNTS INSTITUTE FOR HIGHER EDUCATION. We would like to draw your attention to the college's unwavering commitment to maintaining a safe and inclusive environment for all students.

ANTI-RAGGING POLICY:

BUNTS INSTITUTE FOR HIGHER EDUCATION has a zero-tolerance policy towards ragging in any form. Ragging is a criminal offense and is strictly prohibited on our campus. The college adheres to the guidelines set by the University Grants Commission (UGC) and other relevant authorities to ensure a safe atmosphere for every student.

WHAT CONSTITUTES RAGGING?

Ragging is not limited to any act that causes physical or psychological harm, discomfort, or fear; it encompasses verbal abuse, intimidation, bullying, teasing, and any other activity that may compromise the well-being of fellow students.

PENALTIES FOR RAGGING:

Institution may take strict action by incorporating "Maharashtra Prevention of Ragging Act, 1999" and UGC clause 7 and Section 9.1. The consequences of engaging in ragging activities are severe and may include:

- Suspension from classes and academic privileges.
- Expulsion from the college.
- Legal action leading to imprisonment.

We believe in fostering a positive and nurturing environment where every student can thrive academically, socially, and emotionally. Let us work together to create a campus that values respect, empathy, and camaraderie.

Beyond the Campus Initiative.

Beyond the campus initiatives taken by the college along with the students, inculcates moral values, confidence, growth and development, a sense of pride and a sense to do something for the society that we live in. These initiatives enhance their skills and ability and also the willingness to do something for the society and for the environment that we live in. Beyond the Campus Initiatives goes hand in hand with education. These initiatives give the students practical knowledge along with the curriculum which is beneficial for them and also for the society.

Clean and green environment are the most necessary and required for the betterment of our surroundings and our life. The college encourages the students to participate in clean campuses drive and helps them understand the importance of cleanliness. It is said that, "Cleanliness is next to Godliness". Clean environment leads to peaceful mind and helps nature to heal itself. To initiate the feeling of contributing towards nature the college had formed "under nss & dlle Committee". This committee gives task for the students to inculcate the value and importance of cleanliness which is beneficial for them to have a sound mind and a sound environment. The Committee of nss & dlle along with the students had organized a many cleanliness drive to clean the school campus and also cleanliness drive . This environment drive of cleanliness inculcated love and importance of nature among the students.

The students have worked at different platforms to help spread awareness on different topics. The students had come together to spread the awareness and importance of planting trees. The students also came together and formed a group for street play which was for spreading the importance of planting trees. The students had conducted the street play on two locations where they could attract maximum crowd and the students then could perform the street play on the importance of planting trees and their scientific values. The students who participated in the street play concluded on the note to plant trees.

In conclusion the initiatives taken beyond the college campus are necessary as it helps to inculcate moral values, growth and development of the students as well as to inculcate the will to do something for the betterment of the society and the environment. It helps the students to think about the better future which in turn would help them.

ENERGY AUDIT
EXECUTED AT
BUNTS INSTITUTE OF HIGHER
EDUCATION,
NAVI MUMBAI
on 1st and 2nd December 2023

Submitted By- AARC

www.bstcs.com

TOTAL YEARLY electricity CONSUMPTION and rate Analysis:-

Year	Units consumed
Sept 22- Aug 23	13868

Average rate per unit for Sept 23 in LT VII B II commercial tariff for the connection is Rs.9.4 per unit.

Energy balance calculations with full occupancy and normal working are as below:-

Sr	Description of load	Units per year
1	Air conditioning loads consumption	1000
2	Ceiling fans consumption	4077
3	Lighting load consumption	6250
4	Other Equipment loading	2541

3. Load Analysis:-

Following are the details of connected loads:-

Floor	AC	Ceiling fan	Wall mounted fans	20W tube light	Water cooler/ Fridge	Computer	Printer	Xerox	Lift
4B		28		42					1
4A		8	15	34					
3A	3	17		45	1	28	2		
3B		23		37					1
2	2	20	1	28	1	12	6	2	1

a. Lighting :-

Total lighting connected load is (186 nos x 20 W) = 3720 Watts = 3.72 KW

Considering average 6 hours running , per day lighting consumption will be 22.32 units per day.

Yearly lighting consumption will be 6250 units considering 280 days running.

Use of occupancy sensors in many areas is recommended to reduce the consumption.

b. Air conditioning load :-

S. No	Name of the Floor	Information about the AC					
		Total No. of AC	Usage Hours per day	Type of AC (Window/ Split/ Cassette)	Tonnage (TR)	Wattage	Total no. of days used
1	Third	3	1	Split	1.5	1800	250
2	second	2	1	Split	1.5	1800	250

Total AC connected load of split units is 9 KW.

It is informed that these air conditioners are used very rarely and hence the yearly consumption of the same is around 1000 units considering 4 units per day for 250 days.

c. Equipment loads :-

S. No	Floor	Information about the Equipment				
		Name of the Equipment	Total no. of Equipment	Approximate Wattage (W)	Usage hours/day	Total no. of days used
1	Third A	Computer	28	120	4	280
2	Second	Computer	12	120	4	300
3	Third A	Printer	2	120	8	300
4	Second	Printer	6	300	12	300
5	Second	Xerox/MFD	2	600	10	300
6	2,3,4	Lifts	5	3000	6	300

Total equipment Connected load is 18 KW.

Peak running load will be around 10% which will be 1.8KW.

Considering 6 hrs running for 280 days of the year , the units consumed will be 3024

For energy saving following measures are recommended

1. The monitors should be kept OFF when not in use.
2. The workstation CPU should be kept OFF after the completion of the days work while going out, this will reduce the sleep mode consumptions of the UPS. Except servers all the workstation CPUs can be kept off. Power saving features in Windows or other automation practices can be utilized.
3. Server room and other ac areas heat ingress from outside need to be restricted. Use of suncontrol films (3M or Garware make) on the window glasses is suggested.
4. Use of heating plate should be monitored to avoid wastages.

Cleanliness Drive and Tree plantation by NSS Students

The National Service Scheme (NSS) is a government-supported program that aims to develop the personality and character of students through community service. One of the key activities of the NSS is the annual NSS camp, which brings together students to participate in community development activities.

The NSS unit of Bunts Institute for Higher Education organized 7 days Residential camp under the guidance of Principal Ma'am from 27th January to 2nd February at **Ransai Village near Khopoli**. The camp lasted for a week and was attended by 50 volunteers. The objectives of the camp were to promote community development, environmental conservation, and social awareness among the volunteers.

Activities done by NSS students :

- Tree Plantation
- Cleanliness Drive

In conclusion, the NSS camp is a valuable program that provides students with an opportunity to develop their skills and contribute to the development of their communities.

7.1.9 Human Values and Professional Ethics

Our institution emphasizes the importance of human values and professional ethics through various programs and activities. We celebrate Constitution Day, organizing guidance sessions by external experts on human rights, responsibilities, and duties towards the country.

We also observe Voters' Day, educating students about their rights and duties towards voting. Students who have completed 18 years of age are encouraged to obtain their voter ID cards.

Our institution conducts awareness programs on air pollution, HIV/AIDS, and blood donation drives. We also organize activities to teach students values and their responsibilities as citizens.

The Women Development Committee organizes programs for women employees and students, focusing on their rights and laws related to women's safety and security. Our NSS unit actively spreads awareness among students, employees, and society at large, promoting human values and professional ethics. These initiatives help students develop into responsible citizens.

Best Practice 1

Title of the Practice : Extension Activities for Holistic Development: A Community-Based Approach

Objectives of Practice:

1. To sensitize students to social issues affecting their holistic development.
2. To provide opportunities for students to engage in community service and development projects.
3. To foster partnerships with community organizations and stakeholders.
4. To promote experiential learning and civic engagement.

The Context: As an institution, we believe that education extends beyond the classroom walls. Our extension activities aim to address various social issues affecting the neighborhood community.

The Practice: Our extension activities include:

1. Community Cleanliness Drive
2. Blood Donation Drive
3. Health and Hygiene Awareness
4. Environmental Conservation
5. Social Justice and Equality
6. Annapurna Yojana

Evidence of Success:

1. Increased civic engagement and social responsibility among students
2. Improved community relationships with community organizations and stakeholders
3. Enhanced experiential learning experiences for students
4. Positive community impact through environmental conservation, health and hygiene, and social justice initiatives
5. Development of entrepreneurial skills and self-reliance among students

Problem Encountered and Resource Required: To sustain and expand our extension activities, we require resources such as funding, community partnerships, and infrastructure support.

Best Practice 2

1. Title of the Practice:

Imbibing Indian Heritage Through Engaging Events for integrated growth.

2. Objectives of the Practice:

To instill cultural awareness, pride, and appreciation among students by showcasing diverse feature of Indian culture.

3. The Context:

Realizing decline in exposure to traditional Indian culture amongst youth in a rapidly globalizing world.

4. The Practice:

Our institute plans events which brings everyone of us in harmony with our heritage. Activities that we had organized was of Quilla Making, Rajamata Jijau Bhosale Jayanti, Ramadan, etc. Our institute encouraged student participation while asking them to present the importance and history of our heritage along with healthy competition.

5. Evidence of Success:

We observed increased student participation and enthusiasm in cultural events, positive outlook from students and faculty, and a visible increase in student awareness and appreciation of Indian culture.

6. Problems Encountered and Resources Required:

Problems encountered include finding enough money to sponsor events, and coordinating time. Some resources required funding, and availability of professional artists for more guidance or other cultural resources.

7. Notes (Optional):

This practice emphasizes experiential learning and active student engagement in conserving and promoting Indian culture. It aligns well with the values of the college: inclusivity, diversity, and community engagement.
